FOR IMMEDIATE RELEASE

Statement Regarding Incident at Cedar River Terrace

We are deeply saddened by the tragic incident that occurred between the late hours of 8/3/2026 and early hours of 8/4/2026 at our Cedar River Terrace community. Our thoughts are with family, friends, and everyone affected by this loss.

The safety and well-being of our residents, staff, and visitors remain our highest priority. We are cooperating fully with the Renton Police Department, which is leading the investigation. Because this is an active investigation, we will not comment on specific details or speculate about the circumstances surrounding the incident.

In response to this event, Housing Authority staff are working closely with law enforcement and community partners to support residents and assess any additional security measures that may be appropriate. Resources and support services are being made available to those impacted.

We remain committed to maintaining safe, stable housing for our residents and will continue to work with our partners to address community safety concerns.
